

NEW LONDON CAMP ROTARY- AVID LEARNING DESTINATIONS*

FOR SUCCESS IN THE 21ST CENTURY

Knowledge Explorer

I consciously and creatively apply knowledge and skills. I use all learning tools available to learn and use all resources to advance my knowledge in all areas. I learn because I want to learn.

Confident Decisionmaker

I confidently make decisions and resolve moral dilemmas in all aspects of my life. I evaluate the best course of action based upon my value system but other value systems considered; considering the other value systems of others, and the implications of the decision for myself and others. I understand the use of logic and how to apply it. I am comfortable with my decision making process and I accept responsibility for my decisions and consequences associated with them.

Culturally Aware Person

I understand that culture is the sum total of ways of living. I am accepting of people of diverse cultures and their expression of those cultures. I recognize, value, and seek diversity. I respect, protect, and celebrate differences.

Lifelong Learner

I understand my learning style and possess the skills to process and apply knowledge and information. I will continue evaluating and adjusting my perspective of myself and the world during each stage of my development I have acquired the skill to be a knowledge explorer.

Effective Communicator

I value all forms of communication as a means to explore, experience, and understand the world. I know that interpersonal relationships require that I understand not only myself but others so that my thoughts can be communicated in a way they comprehend.

Practitioner of Good Health

I value my mind body and spirit as an integrated whole. I have a general understanding of how the body functions and what promotes good health. I strive to be a happy, well-adjusted individual and family member.

Wise Resource User

I live in a world of rapidly expanding population and limited resources. I understand the importance of resources and use these resources to analyze, adapt, and apply technical information and human resources to evaluate issues, to solve problems, and to learn to grow.

Positive Self image

I have a positive regard for myself based on a realistic assessment of my strengths and weaknesses. I accept failure and learn from it and that helps me inspires to reach my personal goals and recognize my full potential. I am self-reliant and accept responsibility when making decisions that affect me and others.

Responsible Citizen

I understand and appreciate the founding principles of the United States of America through knowledge of its history, cultures, literature, and languages. I am aware of the various governments across the globe and will continue to contribute my time and resources to enrich my community, my country, and my world.

Autonomous Person

I accept responsibility for my life. I create and choose from alternatives. I effectively communicate and support my decision. I maintain a positive attitude, excitement, and humor about life while I monitor, reflect upon and learn from experience. I am always open to new ideas.
